

DIVINE 9 NINE PRODUCTIONS PRESENTS

SKILLZ FOR KIDZ

INTERACTIVE WORKSHOP

WANT AN UPLIFTING and POSITIVE WORKSHOP AT YOUR SCHOOL OR CENTER THAT INSPIRES YOUTH IN A MUSICAL WAY?

The **SKILLZ FOR KIDZ** workshop is a Powerful and Positive interactive songwriting workshop for Kidz, youth and teachers who believe music can motivate.

The mission of the **SKILLZ FOR KIDZ** workshop is to use the power of hip-hop and pop lyric and song writing to help young people express, discover and create themselves in positive ways.

Run by J.Walker and gilli moon, the duo can come to your school or center and lead their interactive workshop in which they will teach youth the keys to rhyming and rapping but in a therapeutic way (shhh don't tell them!)

The market audience is youth from ages 8-18 (Basic – 8-11 year olds, Intermediate 12 – 15 year olds, and Advanced 16-18 year olds) and it runs approximately 1.5 hours. The locations of the performances vary from schools, social services, Boys & Girls Clubs, YMCAs, youth clubs and anywhere kidz learn.

ABOUT THE WORKSHOP HOSTS:

J.Walker is a Rhymecologist®, spoken word champion, author, teacher, and an emcee. With his psychology degree and 5 years counseling youth in the high risk Los Angeles streets, J.Walker is in tune with the “real needs” of today’s youth. (J.Walker’s website is at www.rhymecology.com)

Singer-songwriter, **gilli moon**, is dedicated to touring the world, performing and releasing music. With a Bachelor of Education, she has also taught in schools and conducted workshops for kids across Australia and the

United States, including running a rock music camp for kids. (gilli moon’s website is at www.gillimoon.com)

Through working the streets, the dynamic hip-pop duo quickly realized the necessity and importance of their work, and created the CD **SKILLZ**, and the interactive performance workshops, filled with positive messages and motivating music.

TEACHERS & THERAPISTS - YOU CAN RUN THESE WORKSHOPS TOO. Read about our Training Manual on our website www.skillzcd.com or contact us for more details.

J.Walker and gilli moon's workshop and CD is not only musically and lyrically on par with the mainstream, it is also a compilation of messages which can make a real difference.

ABOUT THE CD: SKILLZ

A powerful and positive hip-hop CD for kidz

J.Walker, the Rhymecologist®, has combined with indie icon **gilli moon**, to create one of the most important albums in recent memory. The mission of the **SKILLZ** CD is to use the power of hip-hop lyrics to help young people express, discover and create themselves in positive wayz. Through working in the streets, the dynamic hip-pop duo quickly realized the necessity and importance of their work, and created the album **SKILLZ** filled with positive messages and motivating music. **You can purchase this CD** at www.skillzcd.com, and also purchase at wholesale/bulk to re-distribute amongst your organization/school. The songs are also available on iTunes and online e-stores worldwide
